5-Day Training / Internship Programme on Bio-Entrepreneurial Skills for UG & PG Students of Assam

Are you a UG or PG student of Assam looking to explore the exciting world of Biotechnology, Innovation, Startups and Entrepreneurship?

Guwahati Biotech Park (GBP), with the support of NABARD, Guwahati, invites applications for a 5-Day Training / Internship Programme on Bio-Entrepreneurial Skills designed to equip students with practical knowledge, entrepreneurial thinking, and industry exposure in biotechnology and allied sectors.

This programme aims to bridge the gap between academics and industry through hands-on learning, expert interactions, and exposure to real-world biotechnology applications.

Programme Dates

- 24–28 August 2026
- 7–11 September 2026

Who Can Apply?

- Undergraduate (UG) Students
- Postgraduate (PG) Students
- Students from any academic stream studying in institutions across Assam

Programme Highlights

- Bio-Entrepreneurship and the Biotechnology Startup Ecosystem
- Identifying Business Opportunities
- Proposal Writing, Project Formulation & Grant Applications
- IPR, Patents & Technology Transfer
- Product Development & Commercialization
- Business Planning, Financial Management & Market Survey
- Interaction with Scientists, Innovators, Entrepreneurs & Startup Founders
- Exposure to GBP Laboratories, Incubation Facilities & Research Infrastructure
- Startup Incentives, Funding Opportunities & Investor Connect

Why Join?

- Gain practical exposure beyond classroom learning
- Learn from experienced scientists and industry experts

- Develop entrepreneurial skills
- Explore startup, innovation and self-employment opportunities
- Build confidence through interactive sessions
- Network with students, researchers and innovators

Venue

Guwahati Biotech Park (GBP), Near SP Office, Triptinagar, Amingaon, Guwahati – 781031
